Date of Departure	: 29 th to 30 th May 2015 (1 st Term) 13 th to 14 th November 2015 (2 nd Term)
About the Event	: The Staff come from all over the World and bring many different ways and ideas about Scouting with them. This is a fantastic opportunity to learn about other cultures. Still, there are some things to be considered in advance.
Requirements	: There are just three main requirements you must fulfill in order to apply to join the Staff. <ul style="list-style-type: none">➤ All members of Staff must be registered members of a National Scout or Guide Association, which is recognized by the World Organization of the Scout Movement (WOSM) or the World Association of the Girl Guides and Girl Scouts (WAGGGS). If you are not sure about your situation, please contact your National Headquarters who will be able to help you.➤ All members of Staff must be at least 18 years old on the day they arrive in Suncheon and currently enrolled or have graduated from a university and less than 30 years old.➤ All members of Staff must be able to understand and communicate in English, be able to teach the Scout methods and introduce your country's culture.➤ We do not expect formal qualifications. We are looking for Scouts and Guides who are willing to work hard, help others, learn new skills, make new friends and enjoy themselves. We want people who want to be part of this exciting World Scout Center and who will take home many fantastic memories of their stay.

Arrival and departure	<p>: You are responsible for arranging your own travel to Incheon International Airport. From the airport, Korea Scout Association staff will guide you to the bus terminal. When you arrive at Suncheon bus terminal, SAPSC staff will collect you. We consider it very important that all Staff arrive on this date to take part in the Staff training - if this is not possible, please let us know in advance and we can discuss it.</p> <p>We also expect you to stay with us for the whole of the season. In case you have to depart earlier, once again, you have to let us know in advance.</p>
Medical Care	<p>: All members of Staff are cared against all accidents during your working hour. However, you should arrange for your own personal insurance to cover sickness, routine dental treatment, travel to and from Suncheon and your luggage, both en-route and whilst at Suncheon, etc.</p>
Visa and Passport	<p>: We expect that you already have your national passport by the time we receive your application! Depending on the country, getting a passport or a valid document for traveling abroad might take a time to produce, so please be aware of it and start with this as soon as possible.</p> <p>You do not need any visa/special documentation at the moment you send your application to us. In the case you are selected to work in Suncheon, we the Center will need to secure permission to work in Korea with the relevant authorities. Once the work permit is approved we will inform you when you can visit the local Korean Embassy to obtain a C-3 visa.</p>
Language	<p>: English is the working language of the Center, but we do not expect all Staff to speak it fluently. That is the reason why this booklet is written in English only. If you can understand most of what is written here, you will not have many problems working at the Center. The local spoken language is Korean. It is an advantage to be able to speak Korean since some of participants need help with their English understanding.</p> <p>Please mention in your application any language abilities you have, especially Korean!</p>
What you get	<p>: All members of the voluntary Staff receive the following while at the Center:</p> <ul style="list-style-type: none"> • Indoor accommodation at the Center in a room usually shared with one other member of the Short Term staff. • All meals at the Center, both while at work and on days off (or money will be given to buy food). • Living allowance of USD 400 per month. • Some Travel fund • One day off per week. • Staff field trip to nearby cultural sites at the end of the term, paid for by the Center. • Appropriate staff training, both in the first weeks and during the season as needed. • A full reference letter upon request at the end of the season, once the Staff evaluation has been completed. • A great time in a unique place!
